Subject: Public Records Request - Video
To: daniel.claypool@crc.ca.gov
Cc: Isabel Duron [REDACTED]

Mr. Claypool,

I would like to make a Public Records Request for the video archives of the interviews conducted for the top 120 candidates who applied to serve as Citizens Redistricting Commissioners. These videos used to be available online, via the commission's website, and it appears this is no longer the case.

I would appreciate a CD/DVD of all 120 interviews, and/or for these interviews to be made public again via the website, for us to download ourselves.

In the event that making public the interviews for candidates who were not selected to serve on the commission is legally prohibitive, I would still like to request the video files for the interviews conducted with the 14 commissioners we have today. Otherwise, my request is for the top 120 candidate interviews.

Let me know if there is anything else I need to do to obtain these files.

I appreciate it.

Sincerely,

Michelle Romero
