**Subject:** Don't Divide Cities  
**Date:** Tuesday, January 18, 2011 8:14:02 PM

---

Hello,

I live in La Habra and my city like many cities were divided into different Assembly and State Senate Districts. Please keep all cities in tact because we are a community and knowing who our representatives are should be easy. Right now it's whether you live East or West of Euclid.

I hope the commission will be able to retire the term gerrymandering.

Thank you,  
Ida MacMurray
