Subject: Suggested edits to the website

On the page for Role of the Commissioners, there are several edits I would suggest:

- 1) 1st Paragraph, add 53 congressional districts to the list of districts that the Commissioners will draw.
- 2) 2nd paragraph, 2nd sentence, change 8 ½ to 7 ½. You have made this change elsewhere but missed it here.
- 3) Last paragraph, last sentence, add congressional to the list.
