

Dear Commissioners Forbes and Galambos-Malloy,

It was a pleasure meeting and presenting testimony to you all--I enjoyed our conversations. Please see below for some of the resources that you asked about and might like to share with your colleagues. Dale Ho of the NAACP Legal Defense and Educational Fund Political Participation Group provided the following:

First, is a link to a booklet that the NAACP Legal Defense Fund put together explaining the problem of prison-based gerrymandering.

[http://naacpldf.org/files/publications/captive\\_constituents.pdf](http://naacpldf.org/files/publications/captive_constituents.pdf)

This as a public information tool to educate legislators and members of the public about this issue. Please let me know if you'd like hard copies of it; we can send as many as you like.

Second is a link to model legislation to end prison-based gerrymandering. It was compiled by the Prison Policy Initiative, and LDF assisted in the drafting of it.

Third, this is the Prison Policy Initiative's resource page on California.

<http://www.prisonersofthecensus.org/50states/CA.html>

It has links to a number of resources with California-specific data.
