*Re: Public Records Act Request*

Dear Mr. Wilcox:

This is a request for records under the California Records Act, Government Code section 6253. Please provide all electronic and other documents, from December 30, 2010 through the present, that are responsive to the following requests:

1. During the March 17, 2011 Commission meeting, Commissioner Michael Ward stated he was working with Eric Smith, of Chapman University, to create a video about CRC's redistricting efforts and to promote public input. Please provide all emails and other communications between Michael Ward or yourself and Eric Smith, members of the Chapman University Republicans, or any other person about the creation of such videos.
2. Any documents concerning the videos described above.
3. All emails and other documents that comprise or relate to any communications between Mr. Ward and any other person about redistricting matters made outside a public hearing, including any communications concerning (a) any bid for the technical line-drawing proposal by Rose Institute, Douglas Johnson or National Demographics Corporation, or (b) any effort made by Rose Institute, Douglas Johnson or National Demographics Corporation to bid jointly with Q2 Data and Research or Karin Mac Donald for the technical line-drawing contract.
4. All emails and other documents that comprise or relate to any communication between CRC commissioners or staff and any other member of the public made outside a public hearing about Rose Institute, Douglas Johnson, National Demographics Corporation, or any of their employees or staff.
5. All emails and other documents that comprise or relate to any communication between CRC commissioners or staff and Tony Quinn about redistricting matters made outside a public hearing, including the dates and times of any meetings outside of a public hearing.
6. All emails and other documents that comprise or relate to any communication between CRC commissioners or staff and the California Chamber of Commerce, its staff or representatives about redistricting matters made outside a public hearing, including the dates and times of any meetings outside of a public hearing.
7. All resumes and other documents that set forth your qualifications and experience that you submitted to CRC when you applied for your current position as Director of Communications, including any reference to your previous employment with the California Legislature or candidacy for state office.

Finally, I am willing to pay the reasonable costs of copying any responsive documents. Thank you for your attention to this request.

Sincerely,

Steven Maviglio, 1901 45<sup>th</sup> St., Sacramento CA 95819
