Re: Gil Ontai

To the respected members of the Commission:

I am writing on behalf of the application of Gil Ontai to be a member of the State Redistricting Commission. I have known Mr. Ontai for about two years in his leadership capacity among Pacific Islander communities in San Diego.

I also serve with him on the AsianAmerican and Pacific Islander Research Advisory board for Operation Samahan Community Health Center. He is a strategic thinker and leads his committees with care and respect for each member. His is passionate about the AAPI community but also for other ethnic disparities.

In the capacity as President for the American Cancer Society for California (2000-2001), I have met many volunteers and I must say that Mr. Ontai is one who brings others to realize their potential for service.

If I could be of further help, please do not hesitate to call or write. Thank you for your attention.

Sincerely,

Maria Lourdes F. Reyes, MD, MPH
