Dear Citizens Redistricting Commission,

I am writing on behalf of Karin Mac Donald and hope that you will consider her for the position of Technical Consultant for the Citizens Redistricting Commission.

Karin brings a wealth of experience as she served as a consultant for the City of San Diego Redistricting Commission 10 years ago.

As President of the Council of Philippine American Organizations of San Diego County (COPAO), I feel that it is important that we have a fair and balanced approach to the redistricting process. Serving as a consultant for the City of San Diego Redistricting Commission, Karin encouraged public input and stressed that all people participate.

I hope that you will consider Karin Mac Donald for the position as Technical Consultant for the Citizens Redistricting Commission.

Sincerely,  
Merly (Marita) Ferrer  
President, COPAO
