Greetings-

It is my understanding that Karin MacDonald is being considered for employment as a Technical Consultant for the California Citizens Redistricting Commission. Therefore, I will like to offer my support for her appointment.

Ms. MacDonald has a extremely fine reputation for professional work and the ability to respond to community concerns. She is well versed in the needs of the African American Community. In addition, she is fair to all concerned.

I can think no one else who could fill a positive role for the CRC's mission.

Thank you for the opportunity to provide this input.
