Subject: Please remain non-partisan!!
To: votersfirstact@crc.ca.gov

A recent report in the news tells me that the new redistricting commission that I voted for is trying to hire a blatantly partisan consulting firm, The Rose Institute, to help in redistricting. Furthermore, it has come to my attention that two of the candidates for the Commission's attorney are also blatantly partisan. Come on!! This is outrageous. I voted for this commission expecting those in charge to take their task seriously, and responsibly in the spirit that was intended by this legislation, namely non-partisanship. If this commission is to have legitimacy, and to have any hope of lasting beyond 2011, it must remain non-partisan. If this process does not remain equitable, I will fight to overturn the Commission's mandate.

Sincerely,
