Please modify/correct my application to read "Decline to State" as the Secretary of State indicates.
Thank you for bringing this to my attention.

Subject: Citizens Redistricting Commission - Resolution of Voter Registration Information

Dear Mr. Parvenu,

Under section 60835 of title 2 of the California Code of Regulations, the Bureau of State Audits is responsible for collecting information concerning applicants for the Citizens Redistricting Commission that is needed by the Applicant Review Panel (Panel) to perform its responsibilities.

In your initial application to the Citizens' Redistricting Commission, you declared your party affiliation as Peace and Freedom Party; however, our review of your voter registration through the Secretary of State reflects that your party affiliation is stated to be Decline to State. The Secretary of State's voter registration database reflects continuous voting activity since 06/09/2003. If you wish to maintain your party affiliation as Peace and Freedom Party, you must provide proof of this fact, otherwise your party affiliation will be modified to reflect the information the bureau received from the Secretary of State.

Your response must be received by the bureau no later than five days after the date of notification. If you do not respond by Tuesday, July 22, 2010, we will be forced to modify your application to reflect the information provided by the Secretary of State's office.
