Subject: 35th Assembly District  
To: votersfirstact@crc.ca.gov

I regret I am unable to attend the hearing on April 13.

Assembly Districts should include the entirety of a county as there are common interests within a county. I support the proposal to make the 35th District to include all of Santa Barbara County and whatever is necessary to balance the population by including a southern portion of San Luis Obispo County.

I respectfully request that you give this proposal your strongest consideration

**A. Milligan**
