RE: Public Hearing, April 13th
1055 Monterey Street
San Luis Obispo CA 93408

On April 9, the Board of Directors of the Neighborhood Defense League passed a resolution to advocate keeping the Counties whole as much as possible when redistricting for California State elections. Please prevent the politicalization of the process, and keep neighborhoods and communities in tact.

We are counting on the Commission to keep it simple and directly accountable to the citizens as a whole, rather than special interests.

Thank you for your consideration,

Sincerely,
