Dear Redistricting Commission:

I am a retired resident of Los Osos, CA in the 23rd district. I wish to inform you that I would like my district to include all of San Luis Obsipo county. This is where I shop, live, worked and have spent most of my time. We are more like Santa Barbara county than the valley given our coastal agricultural habitat. Our coast and agriculture play a big role in our commerce. I think the people in our area would be best served by our entire county remaining in the same district given our common interests.

Thank you,  
Charlotte Whitaker
