Dear Sirs,

I am unable to attend the Citizens Redistricting Committee hearing to be held in San Luis Obispo April 13, 2011.

I would however like to bring the Committee's attention to the Lois Capps Congressional District. It is probably the most gerrymandered district in California if not in the entire country. Its boundaries are drawn with no other criteria other than ensuring it is a safe district for Democrats. It does not represent the mainstream citizenry of San Luis Obispo County but is confined to the liberal costal area stretching from Santa Barbara County to Monterey. It is an affront to the fairness of the citizen's freedom of choice to ever elect anyone of other than a liberal persuasion.

Sincerely,

Ted Mullennix
