Subject: PUBLIC COMMENT -- San Luis Obispo meeting summary
To: votersfirstact@crc.ca.gov

Commissioners,

My observations:

A "LONG" and very productive meeting (4 1/2 hours)

- Overwhelming sentiment for retaining San Luis Obispo county whole.
- For Assembly and Senate Districts, add from the areas north of San Luis Obispo county, namely from Monterey county.
- For Senate and Congressional Districts, add from North and South, namely from Monterey and Santa Barbara counties.
- If San Luis Obispo county to be divided, consider top of Cuesta Grade for that division.
- If Ventura county is to be divided, consider Conejo Grade for that division.
- Keep Santa Barbara and western Ventura together.
- Great involvement from some High School students.
- Appreciate courage and willingness of Spanish speakers to participate.
- Are students recorded in the census at the School (college) or at their family home?
- No one spoke to needs of Santa Barbara or Monterey counties.
