Dear Redistricting Commission,

Our 35th district (Santa Barbara area) made no sense since the last gerry-mandered allocation primarily designed for Democrat Party voter control.

I endorse both former local **Assemblymen Pedro Nava (D) and Brooks Firestone (R)** comments regarding the new future of our 35th District. When you have such clear experience and bi-partisan support for these needed changes, these are the local voices we hope your committee will give good consideration when making your final decisions.
