Redistricting Commissioners,

Santa Cruz and Monterey Counties are currently divided between three State Senate Districts. These two counties, along with San Benito and South Santa Clara have much more in common with each other than they do with San Luis Obispo County.

Very few people live where SLO borders Monterey County and Highway One is often (and is currently) closed between the two counties.

It would be far better for Monterey and Santa Cruz to be in the same State Senate district once again.

Thank you for all your hard work,
