Subject: We Need A Meeting In Eureka-Don't Ignore North Coast!
To: Votersfirstact@crc.ca.gov

You are doing citizens of the North Coast a serious disservice by not scheduling a meeting in Eureka, CA. You recently had a meeting in Redding which is 4 hours away (one-way.) Another meeting is scheduled for Santa Rosa, 3 hours away (one-way) We have NO PUBLIC TRANSIT and GAS IS EXPENSIVE (over \$4.33 per gallon and rising.) You are disenfranchising the citizens of Mendocino, Humboldt, Trinity and Del Norte counties by not scheduling a meeting in Eureka. Besides, it is beautiful up here - come see the redwoods - you'll love it!
