35TH ASSEMBLY DISTRICT

Dear Commissioners,

I was unable to attend the April 13, 2011, public hearing in San Luis Obispo. However, I want to express my hope, that once you have had the opportunity to review all relevant information, that the 35th Assembly District will include all of Santa Barbara County.

The recent census count puts Santa Barbara County's population at 423,895 people, which is nearly the target population of 465,674 for Assembly Districts.

Sincerely,

REETZ, FOX & BARTLETT LLP
