Hello Commission Members,

We appreciate the important work you are doing and wish you the best as you fulfill your assignments.

We, as a public, have been invited to provide input, so we would like to express a brief request that we are fairly sure most from Ridgecrest would agree to.

Speaking for our family and ourselves, we would like Ridgecrest to remain in the same voting district as the remainder of Kern County. To be sectioned off to San Bernardino or Los Angeles Counties would not allow us to be properly represented since our interests and concerns are more in line with other Kern County citizens. In addition, following county lines, in general, seems to make sense in the majority of situations.

Thank you for your consideration and your service.

Susan and Russell Hurst
