To Whom It May Concern:

Our community is really close in spite of our new population growth! We moved here 35 years ago from SFV, because Ventrua County's values matched ours to a tee!!! We would like it to remain so!!!

We are outraged that you are even thinking of spliting us up!!! We need to be in the Ventura County district, with like people to represent us! We don't want to be with other people far away (over our valley's hill)! How will we receive the representation we WANT with others deciding they want to split us up?

We voted to redistricting our state with the thought that Simi Valley would finally be together & not split up, and we would stay together within Ventura County! It is vital that we remain as such since that is why we voted for a FAIR deal with no splitting within our county!!!

We realize redrawing district lines if challenging, but PLEASE keep us together within our own County, NOT with L.A. or other districts that do NOT represent our VALUES!!!

Sincerely,

Mr. & Mrs. Hal Goldstein
