Hello:

I would like to voice my concerns about redistricting.

I am a registered voter and resident of Shasta County. I support Props 11 and 20 having the objective of taking redistricting OUT of the Legislature's hands to obtain fair redistricting without taking partisan politics into consideration.

Local representation is critical to our culture and community interests.

Communities along the I-5 corridor should be kept together, rather than joined with coastal areas, because of the severe geographic divide created by the coastal mountains.

The lines should be similar to those drawn by judges on 1990 rather than politicians of 2000. As an independent commission, please look at the plan drawn by independent judges, rather than politicians looking for personal gains.
