Dear Citizens Redistricting Commission,

I wish to express my opinion on where to draw the boundary lines for Northern California.

Please do NOT throw the coastal counties in with the agricultural valley counties. Please do NOT throw the fertile agricultural valley counties in with the high elevation dry counties of Modoc and Lassen.

To account for the increased population, please simply adjust the southerly borders of the existing districts rather than drastically changing the entire north end of the state.

Thank you,

Brenda Haynes
