Citizens Redistricting Commission

1130 K St., Suite 101

Sacramento, California 95814

Dear Commissioners,

I have been a resident of Simi Valley for about 30 years now. My husband and I have worked here and do most of our shopping here. We love this community and do not wish to see it changed. We have many friends and family who also live and work here and they feel the same way. We have heard of the redistricting process and are very concerned.

We live in Ventura County and are very proud to do so. Simi Valley works together with Moorpark and Thousand Oaks to give us the life we desire. We believe that it would be a great mistake to separate Simi Valley from Ventura County and consequently cut the ties to Moorpark and Thousand Oaks. We urge you to keep Simi Valley, Moorpark, and Thousand Oaks together within one district.

Thank you,

Pat and Vic Burton
