Message Body:

Dear Commissioners,

It is with great pleasure that I write to you about the importance of the redistricting of our community. I am currently serving in various community groups (Citizens Oversight Committee, AVUSD, Antelope Valley Partners for Health, Antelope Valley Independant Democratic Club and other organizations)and believe that your roles will be of significant value to our communities future growth.

Our demographics in the Antelope Valley are constantly changing with a pivotal need for our voices to be heard.

We are in need of redistricting that reflects those voices unheard. More particular the East Side of Lancaster and Palmdale.

It's my hope that the daunting task of redistricting our communities will reflect both the demographic and unheard voices of our communties collectively.

I appreciate the work you are embarking upon and ask you to consider my request.

Thank you,

Kermit Franklin, PhD
