My name is Roxanne Carr. I have lived in San Luis Obispo County for 31 years. I serve on the Cuesta College Foundation Board and I am also a student at the college.

San Luis Obispo County is a community that values education and we should be aligned with other communities with those same values. These areas include Santa Barbara, the Monterey Coast and Santa Cruz. All of these communities have community colleges with high transfer rates and also have excellent four-year universities.

Thank you,
Roxanne Carr
