Re: State Senate District #23

Dear Commissioners:

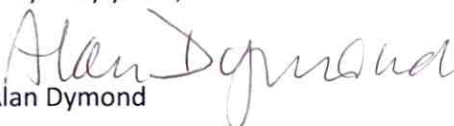

I am a member of the Studio City Residents Association an organization of over 1200 households that represents Studio City in the San Fernando Valley, from Mulholland Drive to 101 freeway and east from Lankershim Blvd to just past Coldwater Canyon.

Studio City shares common interests with the residents of Sherman Oaks, Encino, Tarzana and Woodland Hills and west to the Ventura County line (Calabasas and Agoura Hills) all of which are primarily located along the busy 101 Ventura Freeway corridor. These communities are all represented by active and involved local homeowners associations and community councils. These communities are directly linked to the Westside through transportation corridors, (Laurel Canyon, Coldwater Canyon, Beverly Glen, Sepulveda, the 405, etc.) therefore both sides of the Santa Monica Mountains should be included in this Valley and greater Westside District. We work and enjoy cultural, shopping, and recreational interests on the Westside, and over to the beaches of Santa Monica and Malibu, UCLA, Beverly Hills, West Hollywood and the Westside. Many of the SCRA residents are active in the protection of the Santa Monica Mountains and participate in the Santa Monica Mountains Conservancy meetings.

The Santa Monica Mountains bind these cities and communities together from Studio City and West Hollywood to the Ventura County line at Malibu and Westlake Village.

I would request that the entire community of Studio City be included in an assembly and state senate district.

Very truly yours,

  
Alan Dymond
