To whom it May Concern:

It has come to my attention that there is some discussion as regarding moving Studio City out of our current State Senate District due to the 2010 census. I urge you to maintain the present boundaries of Studio City as they presently are. We are clustered with the communities of Sherman Oaks, Encino, Tarzana and Woodland Hills and west to the Ventura county line along the 101 freeway corridor. We share many common interests and concerns with these communities.

The Santa Monica Mountains bind these cities together from Studio City and West Hollywood to the Ventura county line at Malibu and Westlake Village.

These Valley communities are directly linked to the Westside by the major transportation corridors of Laurel and Coldwater canyons and by Beverly Glen, Sepulveda Blvd. and the 405 freeway. I feel that both sides of the Santa Monica Mountains should be included in this Valley and greater Westside district.

Sincerely,

Nancy Traina
