To Whom It May Concern:

I am a property owner in Studio City and am writing to voice my preference to keep Studio City in the State Senate's 23rd District.

My reasons are:

- Sherman Oaks, Encino, Tarzana and Woodland Hills and west to the Ventura County line (Calabasas and Agoura Hills) are all primarily located along the busy 101 Ventura Freeway corridor and we share common interests with these communities.
- The Santa Monica Mountains bind these cities and communities together from Studio City and West Hollywood to the Ventura County line at Malibu and Westlake Village.
- Valley communities are directly linked to the Westside through transportation corridors (Laurel Canyon, Coldwater canyon, Beverly Glen, Sepulveda, the 405, etc.) Both sides of the Santa Monica Mountains should be included in this Valley and greater Westside District.

It seems reasonable to keep Studio City in the State Senate's 23rd District and will ensure adequate representation in Sacramento for residence sharing common goals and needs. It is important to make every effort to enable our State Representatives to function more efficiently—**Keep Studio City in State Senate District 23.**

Sincerely,
