

FORREST FRIELDS

April 28, 2011

Dear Commissioners,

I am an active and concerned resident of Thousand Oaks and I want you to be aware of my thoughts and comments about the process of redrawing our districts.

As it stands, Simi Valley, Moorpark, Thousand Oaks, and Camarillo are all united under one district. I strongly believe that it needs to stay this way. We share many of the same views and are located right next to one another. It would be a great blunder for you to change this community by separating us.

I feel strongly about this task, so much so that I was one of the tens of thousands of Californians who volunteered for the job. The re-drawing of the districts is extremely important and I feel they should reflect similar values and needs. I trust that you will do the right thing by keeping us united.

Thank you,

Forrest Frields
