

From: Dorothy Boberg [REDACTED]
Subject: Redistricting the San Fernando Valley

Message Body:

In addition to my personal testimony on April 30, 2011:
I wish to say that the existing 38th Assembly district, which is mostly in the Santa Clarita area, should not include part of the San Fernando Valley area because the extensive mountains north of this Valley make it very difficult to reach the office of the Assembly Person or be involved with politics there.
