Sacramento, CA 95814

Dear Commissioners:

Please keep our communities of interest together. As a resident of Chatsworth I have seen firsthand how underrepresentation hurts a community. One doesn't have to look any further than the Valley's succession from Los Angeles effort a few years ago.

I feel it is important to keep the northwest San Fernando Valley together. I know this is not large enough to be considered one district; therefore I would like to see eastern Ventura County and the Santa Clarita Valley join our area to form a district. It is evident that we all share common interests and values, an important factor when choosing who will represent the citizens. I hope and pray you will keep these commonalities at the forefront when deciding the boundaries.

Sincerely,

Patti Verdi

Sacramento, CA 95814

Dear Commissioners:

As a lifelong resident of Chatsworth, I am writing you to let you know that I support keeping the communities of the northwest San Fernando Valley (Canoga Park, Chatsworth, Northridge, Porter Ranch & Granada Hills), the eastern part of Ventura County (Simi Valley, Moorpark & Thousand Oaks) and the Santa Clarita Valley together in one district.

It is important to keep these like communities of interest together. We share many things in common and elected representation should be one.

Sincerely,

Craig Smead

Citizens Redistricting Commission  
1130 K Street, Suite 101  
Sacramento, CA 95814

Dear Commissioners:

Please consider this my public input. I am 88 years old and am unable to attend the public hearings.

As a lifelong resident of Chatsworth, California I am writing you to respectfully request having our district comprised of the northwest San Fernando Valley (Canoga Park, Chatsworth, Porter Ranch, Northridge and Granada Hills), the eastern Ventura County (Simi Valley, Moorpark and Thousand Oaks) and the Santa Clarita Valley.

I believe a district aligned like this would fulfill the action of grouping like communities together. It is important that our representatives reflect the values and principles of their constituents.

Thank you for your service to our State and our communities.

Sincerely,

Catherine Smead

Thank you for accepting these letters  
on behalf of our residence:

Chatsworth, CA 91311
