RE: Los Feliz District and Griffith Park

Dear Sirs and Madams,

Los Feliz is renowned as an historic district in Los Angeles with well defined boundaries and singular concerns. SurveyLA, a recent mapping of distinct Los Angeles neighborhoods by the Los Angeles Times, has correctly described its boundaries which coincide with those of the Los Feliz Improvement Association, an organization that has represented thousands of Los Feliz residents for nearly 100 years (map attached). Our neighborhood has also been intimately associated with Griffith Park lands for over 200 years, and we have assumed the primary citizen responsibility for the park's stewardship for most of the park's existence.

For the last decade, since the last redistricting, our small neighborhood has been divided between two state assembly districts and two state senatorial districts. This is not only a logistical complication, but it also results in duplicate efforts in pursuing our goals and unique interests.

We strongly urge you to avoid dividing our unique community between multiple political districts but to place us within single assembly and senatorial districts.

Similarly, we urge you to place the entirety of Griffith Park within our district boundaries to ease our historic stewardship of this unique Los Angeles resource.

Sincerely yours,

Donald A. Seligman
President
