Sacramento, CA 95814

To Whom It May Concern:

I understand Studio City State Senate District is being redistricted as a result of the 2010 census.

As you know, Studio City is currently in the 23rd State Senate District. I believe it is to the benefit of Studio City to remain in this district.

Please keep Studio City in the State Senate's 23rd District.

Thank you.

Sincerely,

Janice Wexler
