As voters living in the Northern part of the City of San Diego also known as Rancho Bernardo, we have been gerrymandered to an area 25 miles east of where we live. Our zip code is 92128 and we are assigned to the area in which Darrell Isa the Congressman from Vista is our congressional representative. What does Vista have in common with Rancho Bernardo??

We have a lake to the north that rises and falls at the needs of other parts of San Diego County and a fire prone area to the east.

We are part of San Diego City, but are included into Vista to maximize the Republican voting area of Vista. This is not fair.
