Subject: Redistricting in North County San Diego

Message Body:

I strongly urge the Commission to keep the entire city of Carlsbad in one district. And Carlsbad in its entirety should be grouped with the coastal north county communities of Oceanside, Encinitas, Solana Beach, Rancho Sante Fe, and Del Mar to form a new district. These communities have very similar identities, demographics, cultures, weather, common work, transportation, and leisure patterns. SANDAG views the coastal communities as one market, different from the inland north county communities, as does San Diego media.

Thank you.

Andrea Ryon
