**Conversation:** Redistricting for Ramona

Commissioners,

I am a resident of Ramona and we are covered under 3 districts - the 66th, 75th and 77th. I would like to request that Ramona be put under one district. It would bring more continuity to our community as a whole. We have a population of over 40,000 people.

I would like to say that I am not in favor of separating ethnic groups so they have their own district. We are all Americans and should live accordingly. I think it is bad for our country to separate each group - we must all join together to be one group. I hope you will take that into consideration. Thank you.
