Message Body:

Please get me out of the most gerrymandered ass. dist. in CA! Look for the one that actually looks like a SALAMANDER! I live in the extended CLAW of the salamander in University City (San Diego). If you look at the map of the 77th, you will immediately see what I mean. Please redraw the lines more logically, more naturally, so I'm in my COMMUNITY, for heaven's sake. I am counting on you, because this opportunity won't come along again for a long, long time! (This 77th dist. is such an example of power corrupting.....) Don't let anyone pressure you; do the right thing. Thanks to you all for performing a valued civic duty!
