Conversation: Testimony for California Citizen's Redistricting Commission on behalf of the Latino Redistricting Committee

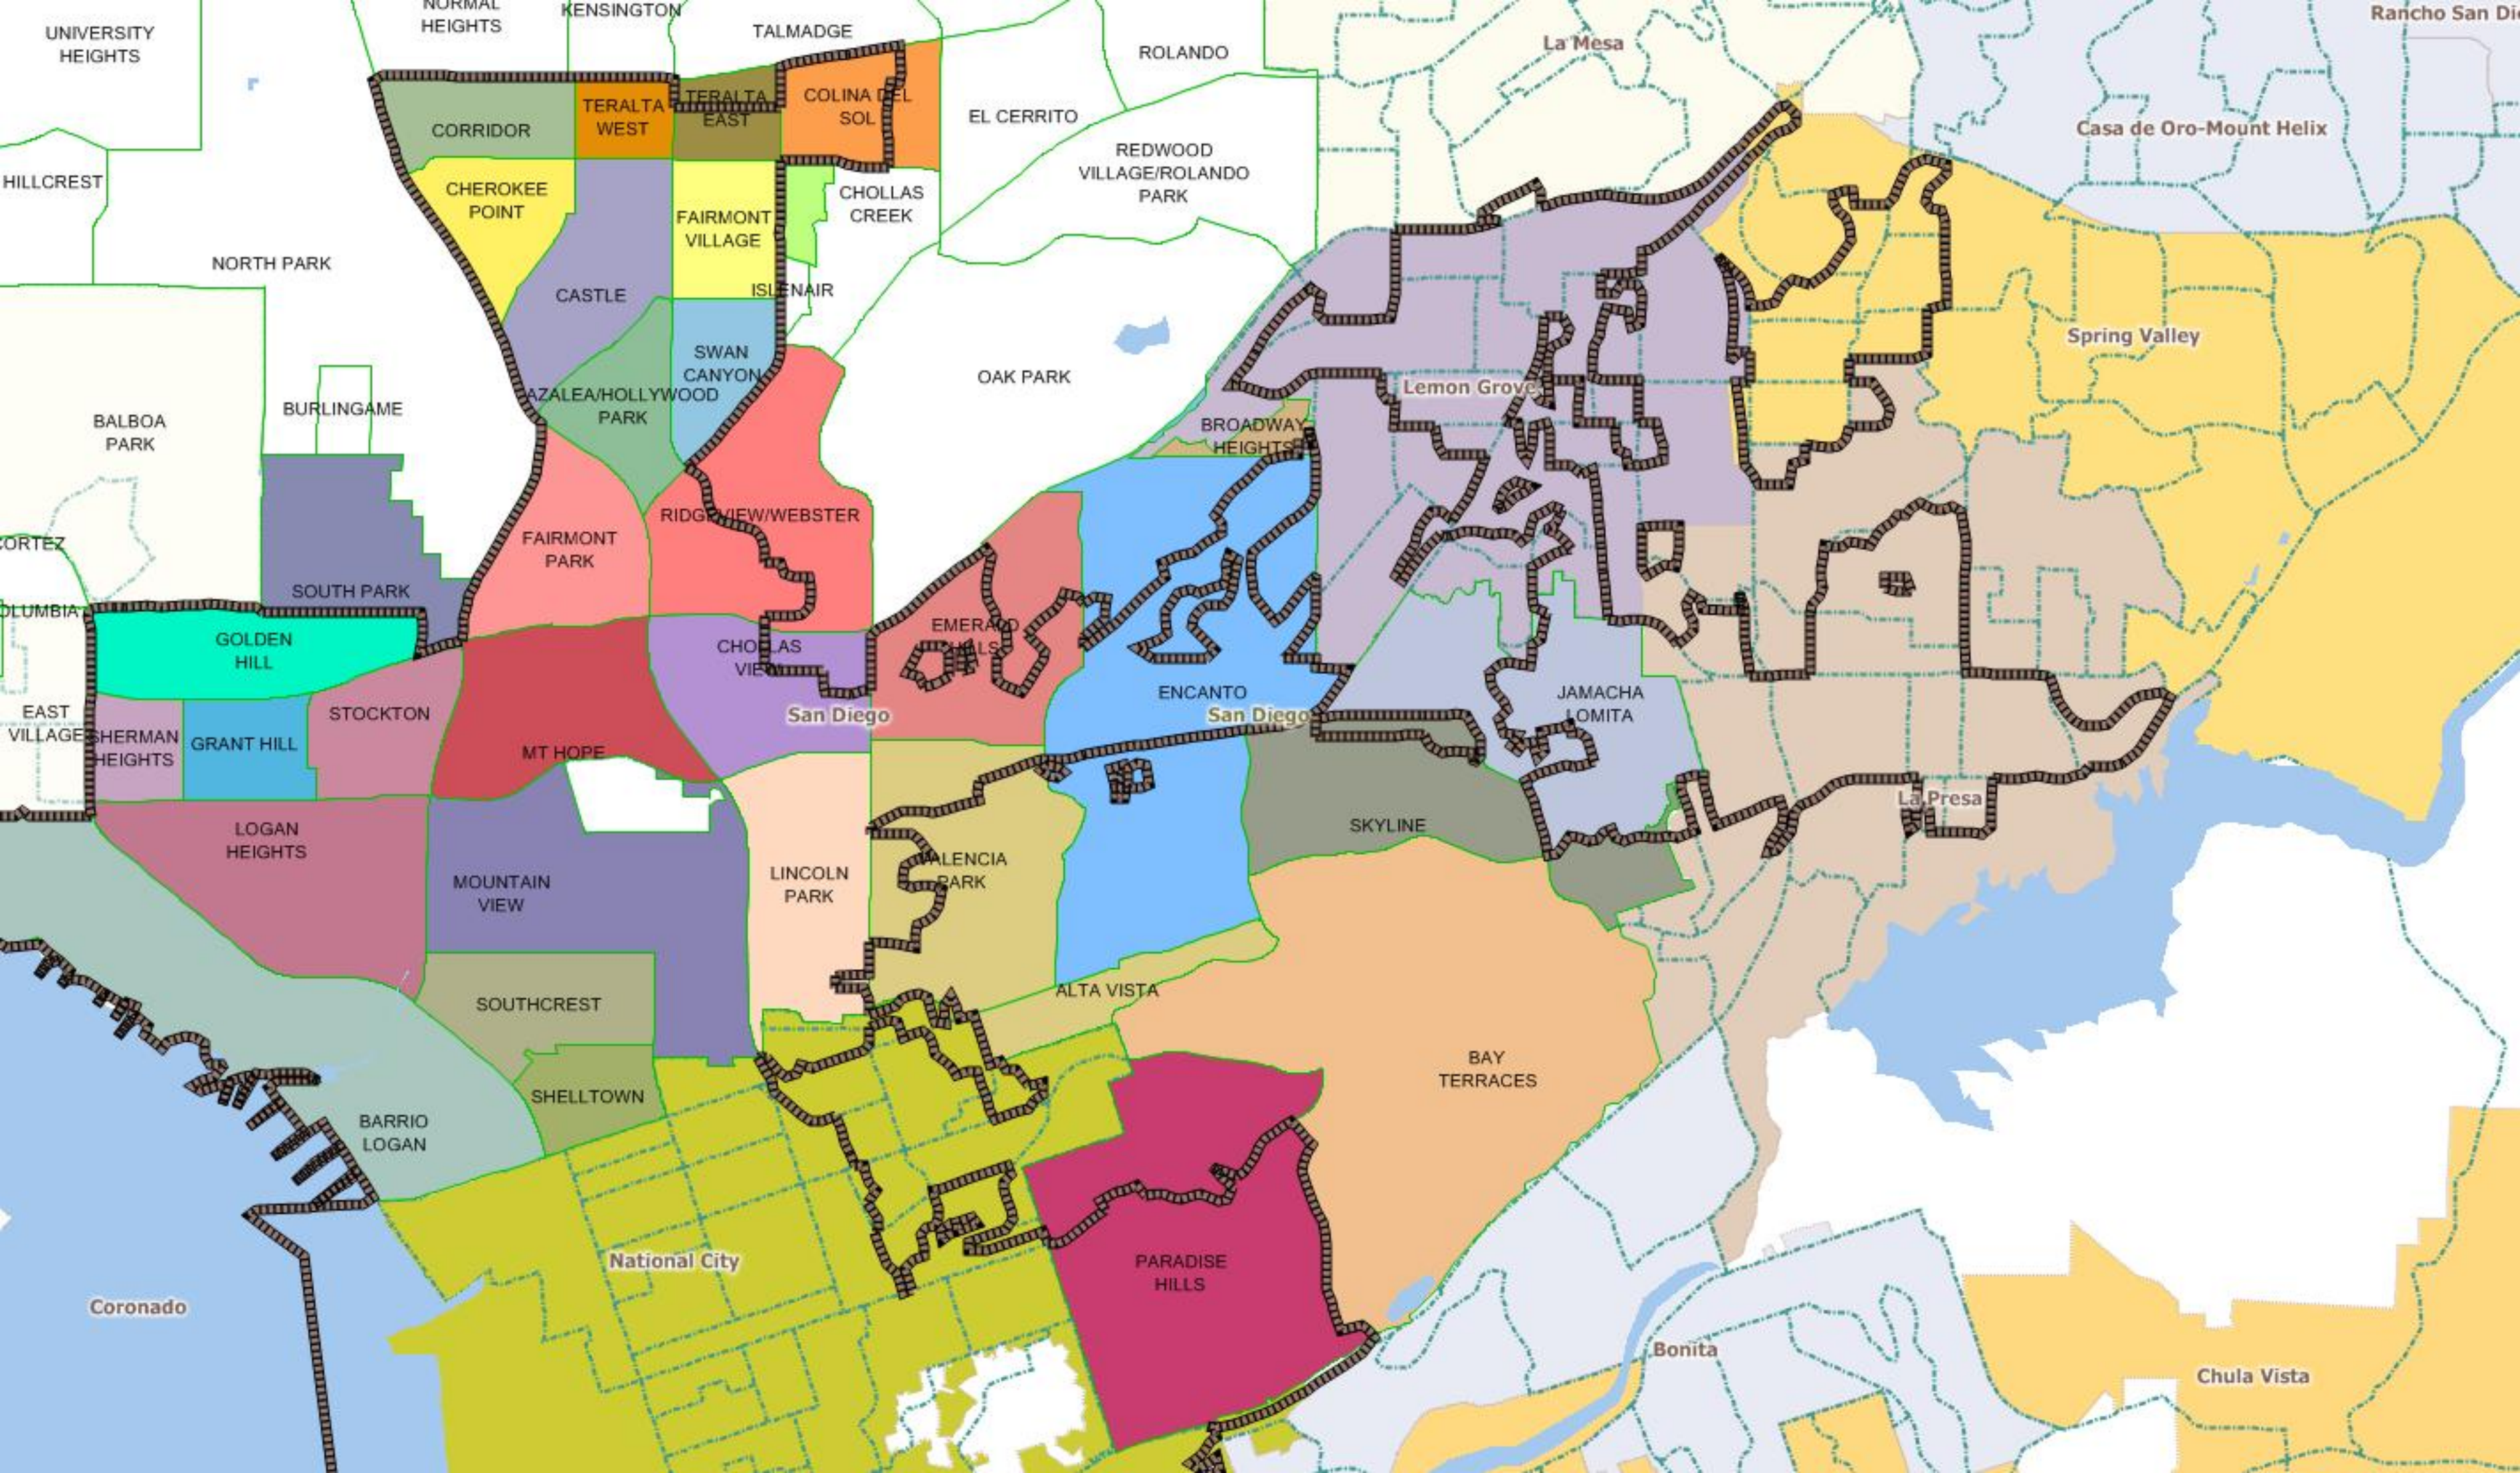

Dear California Citizen's Redistricting Commission:

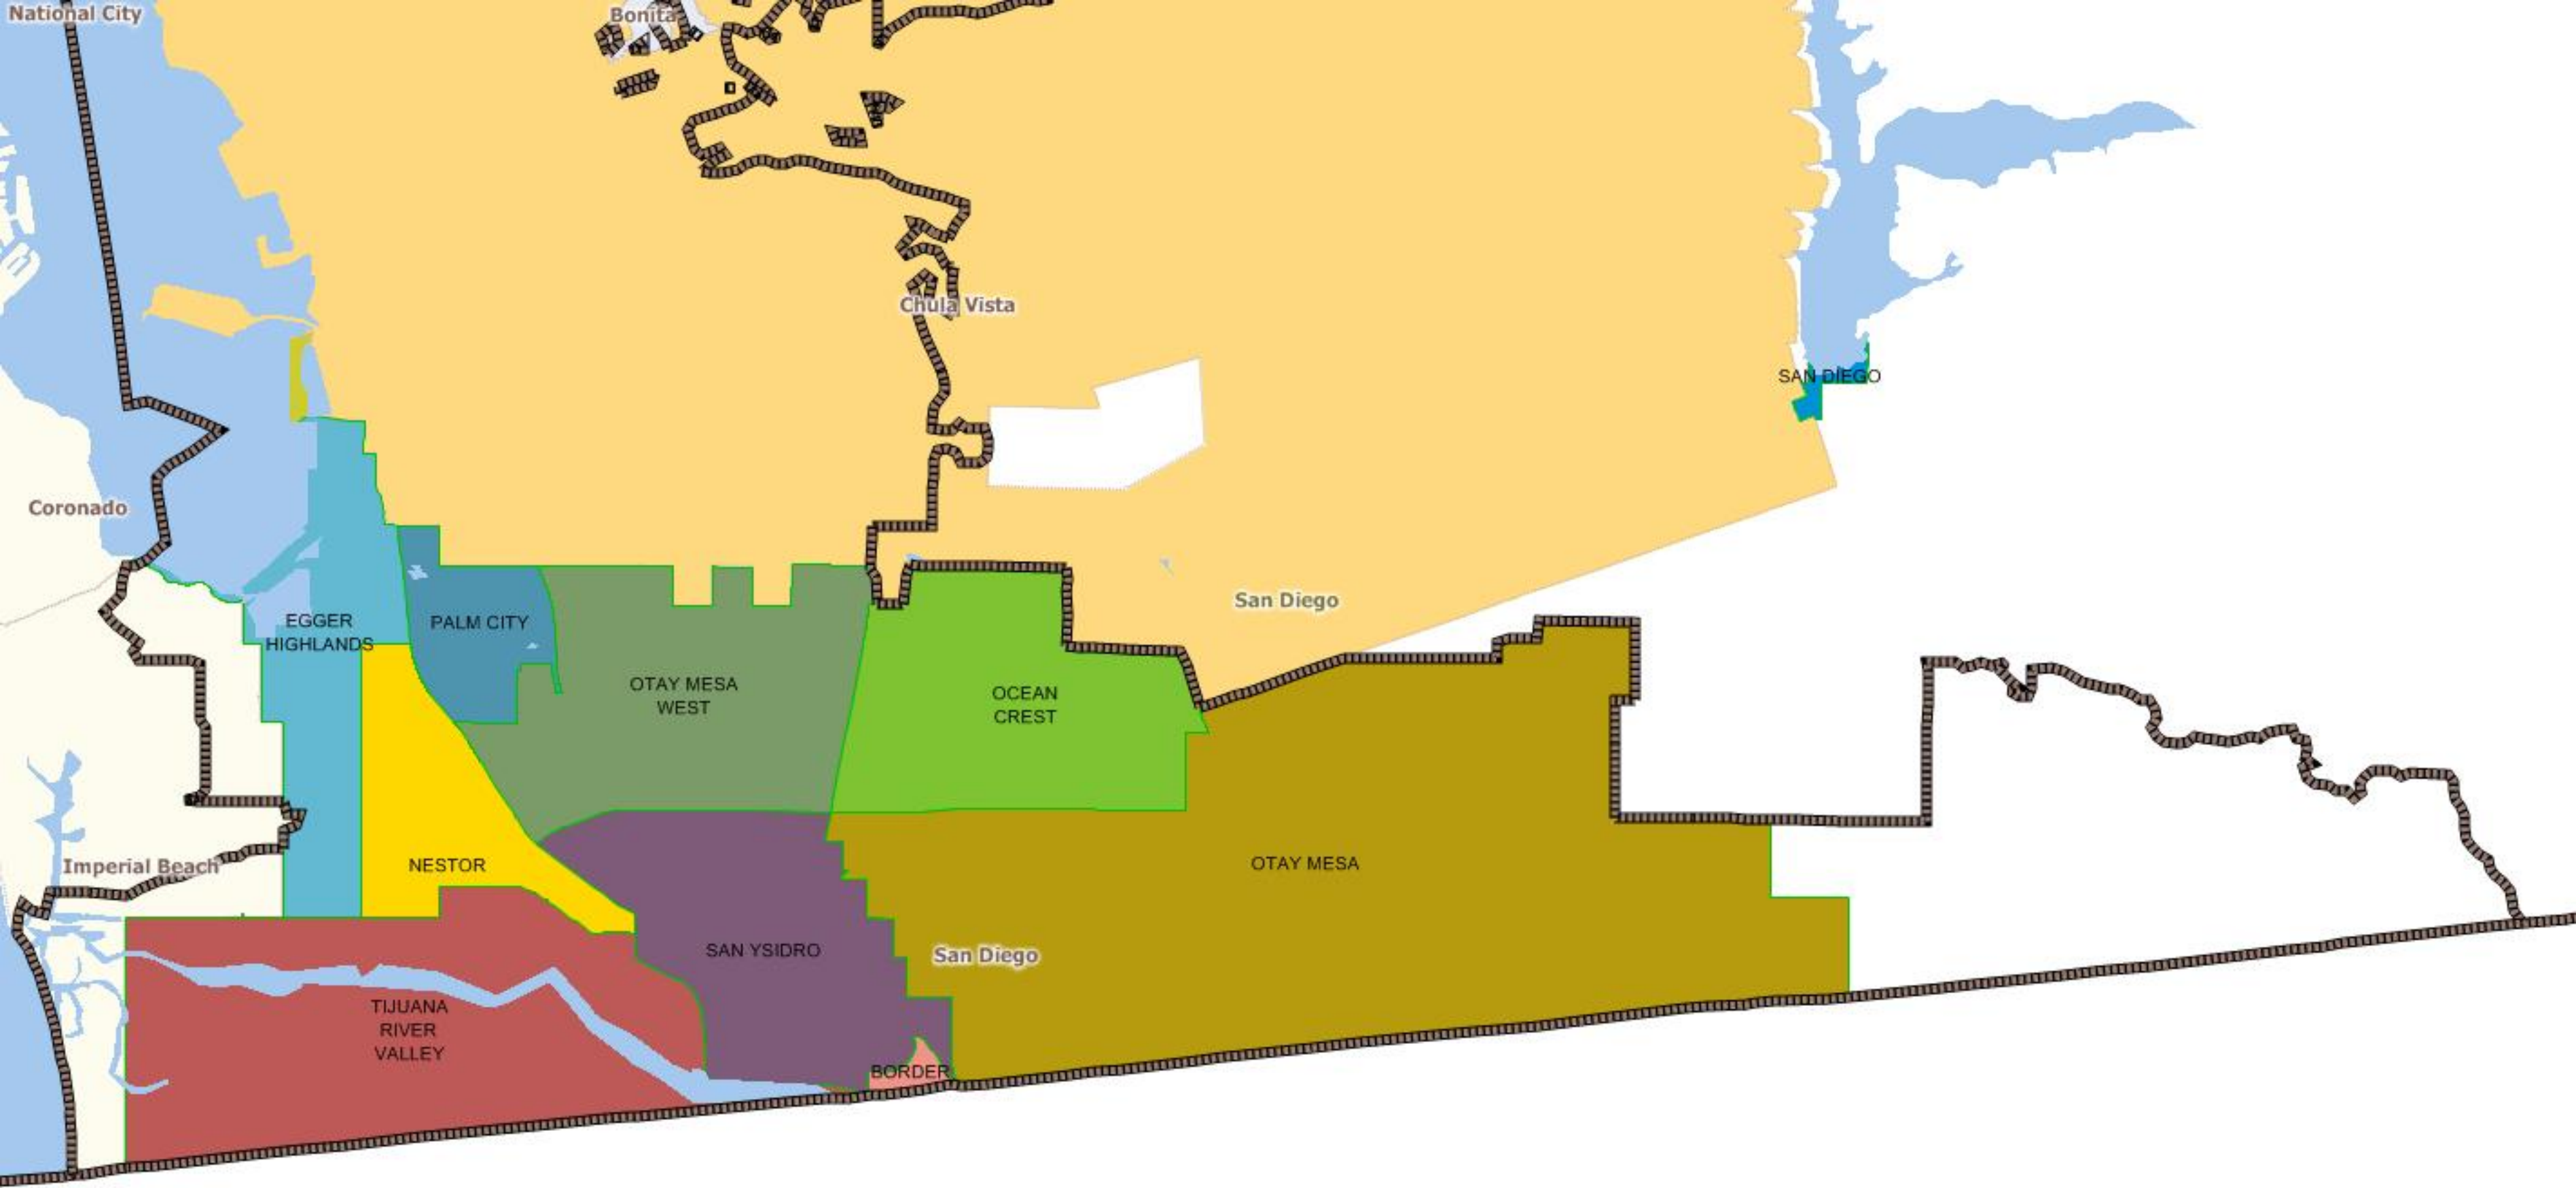

I am submitting written Testimony on behalf of the Latino Redistricting Committee of San Diego County. Attached is our letter along with 8 maps introduced and discussed in our letter. We greatly appreciate all your important work. I personally was very impressed with the caliber of the meetings in San Diego.

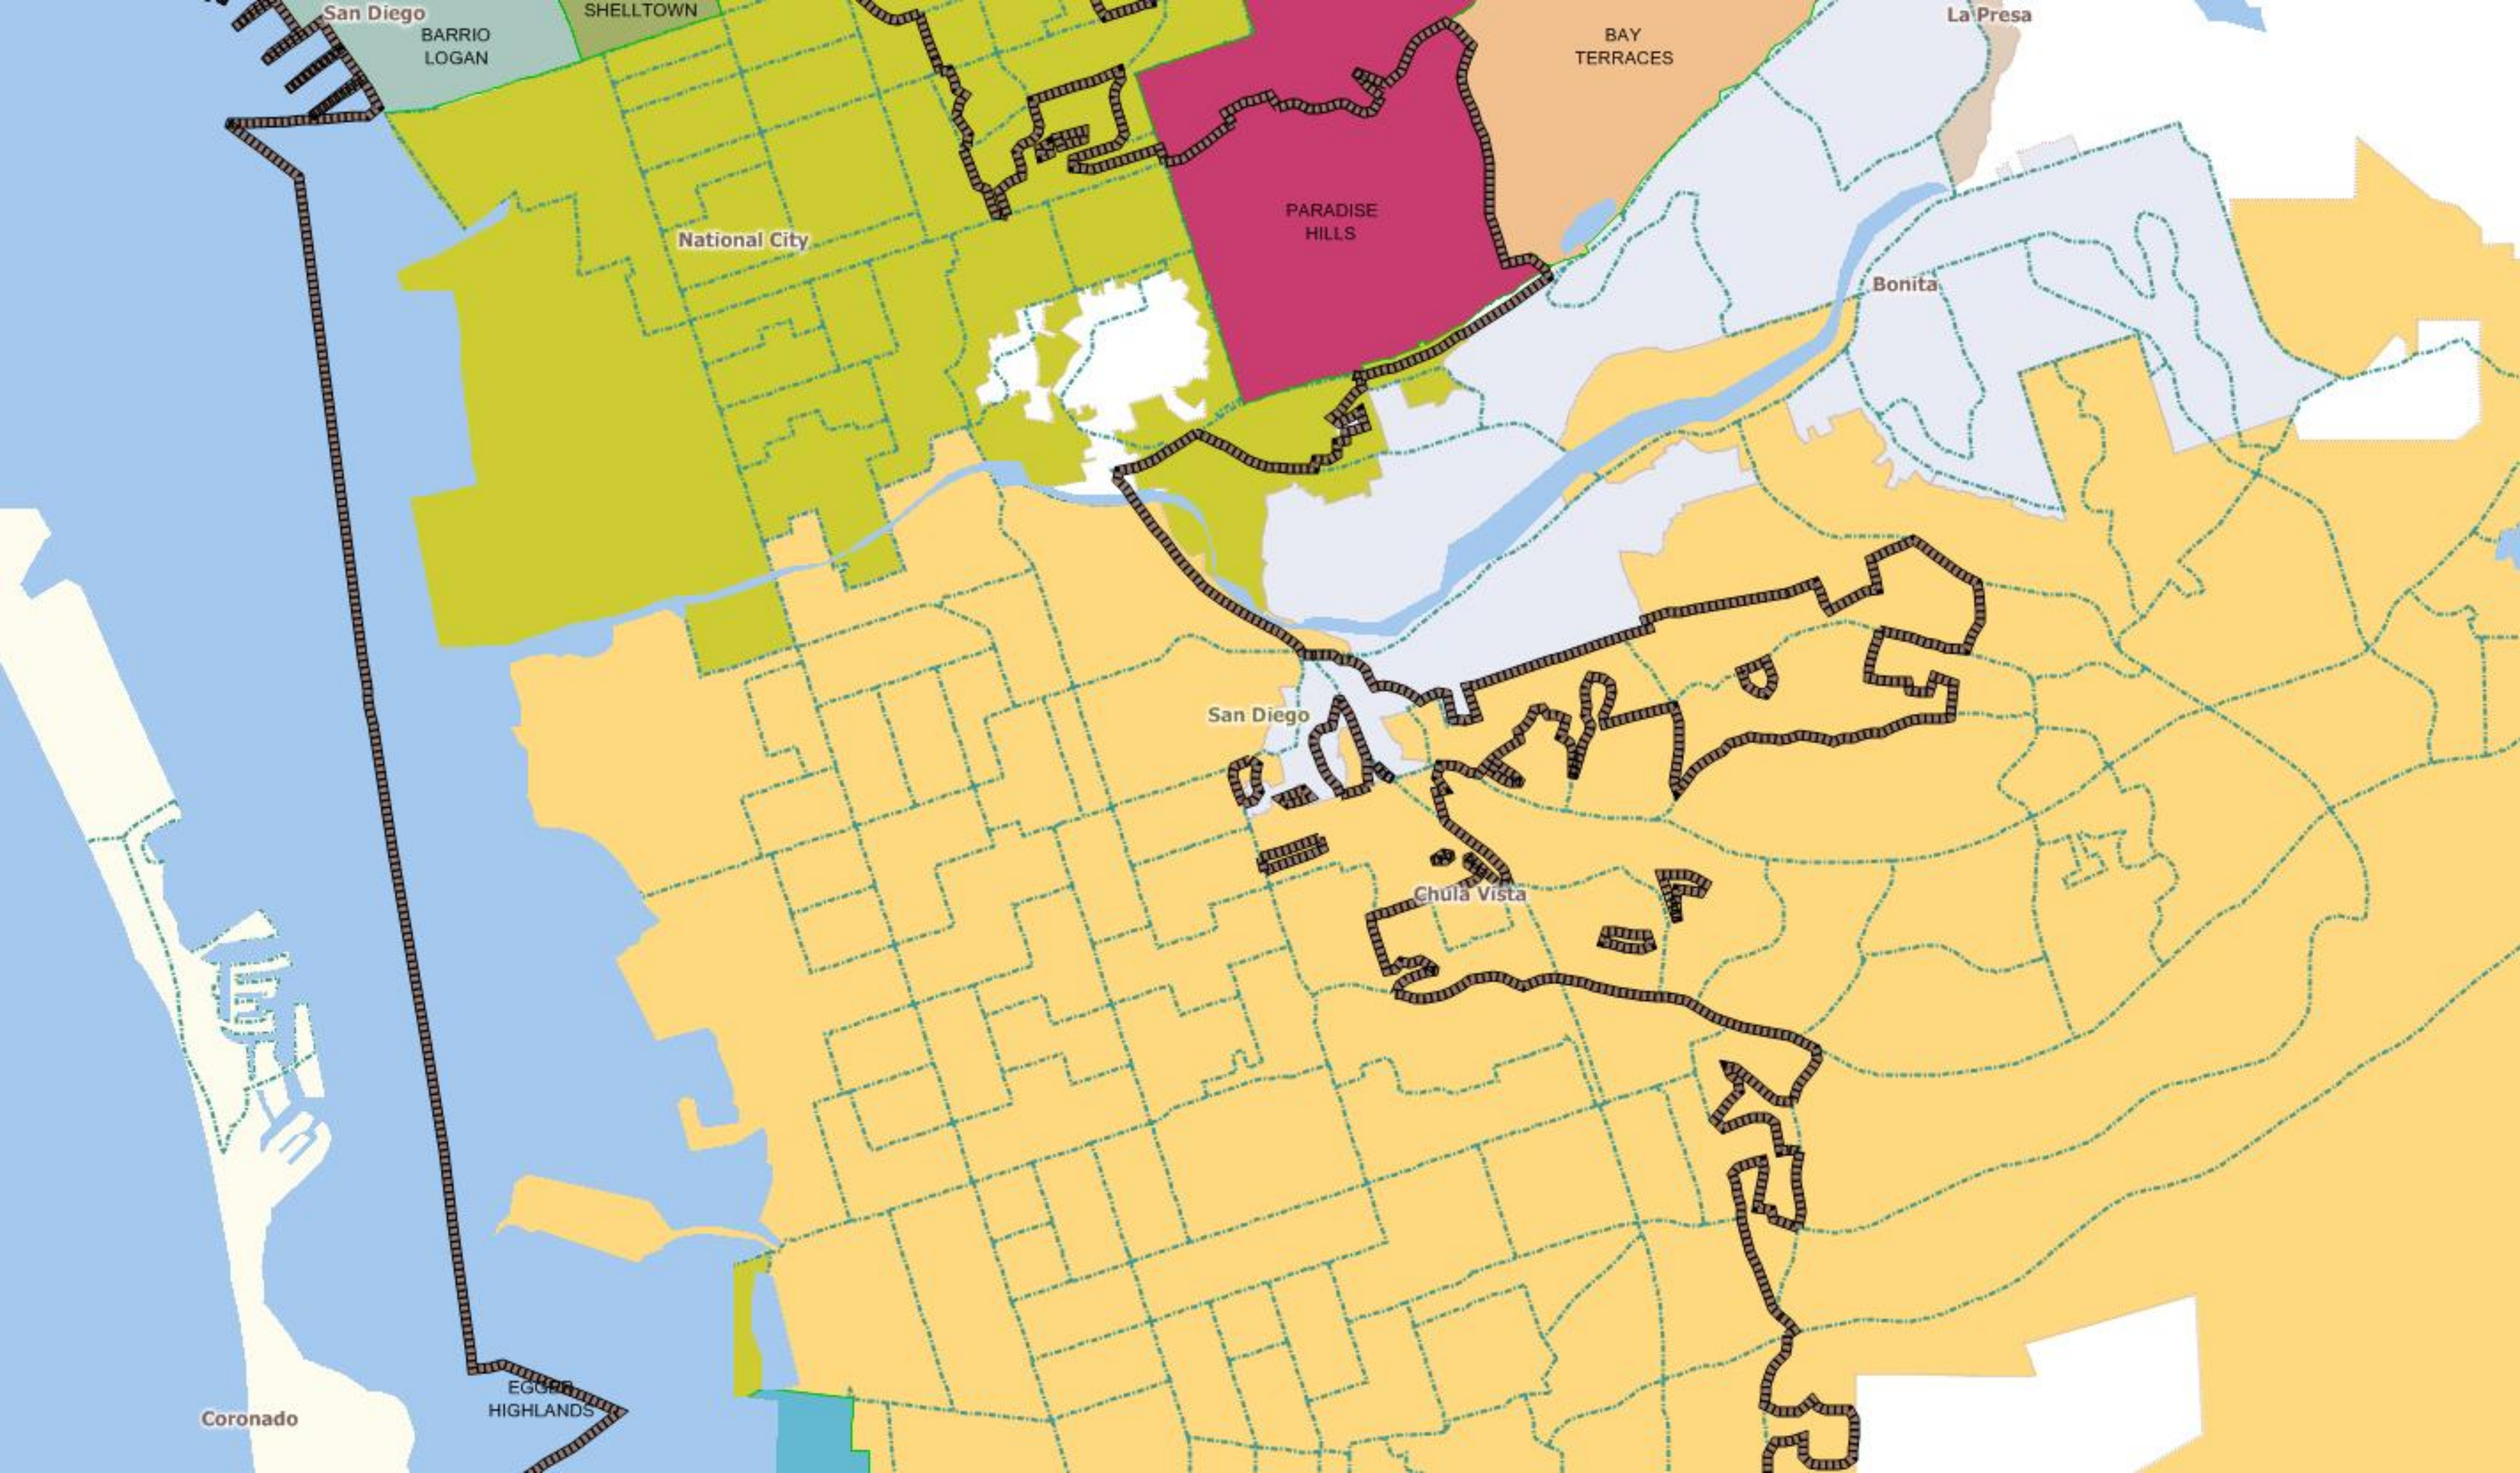

Best wishes,

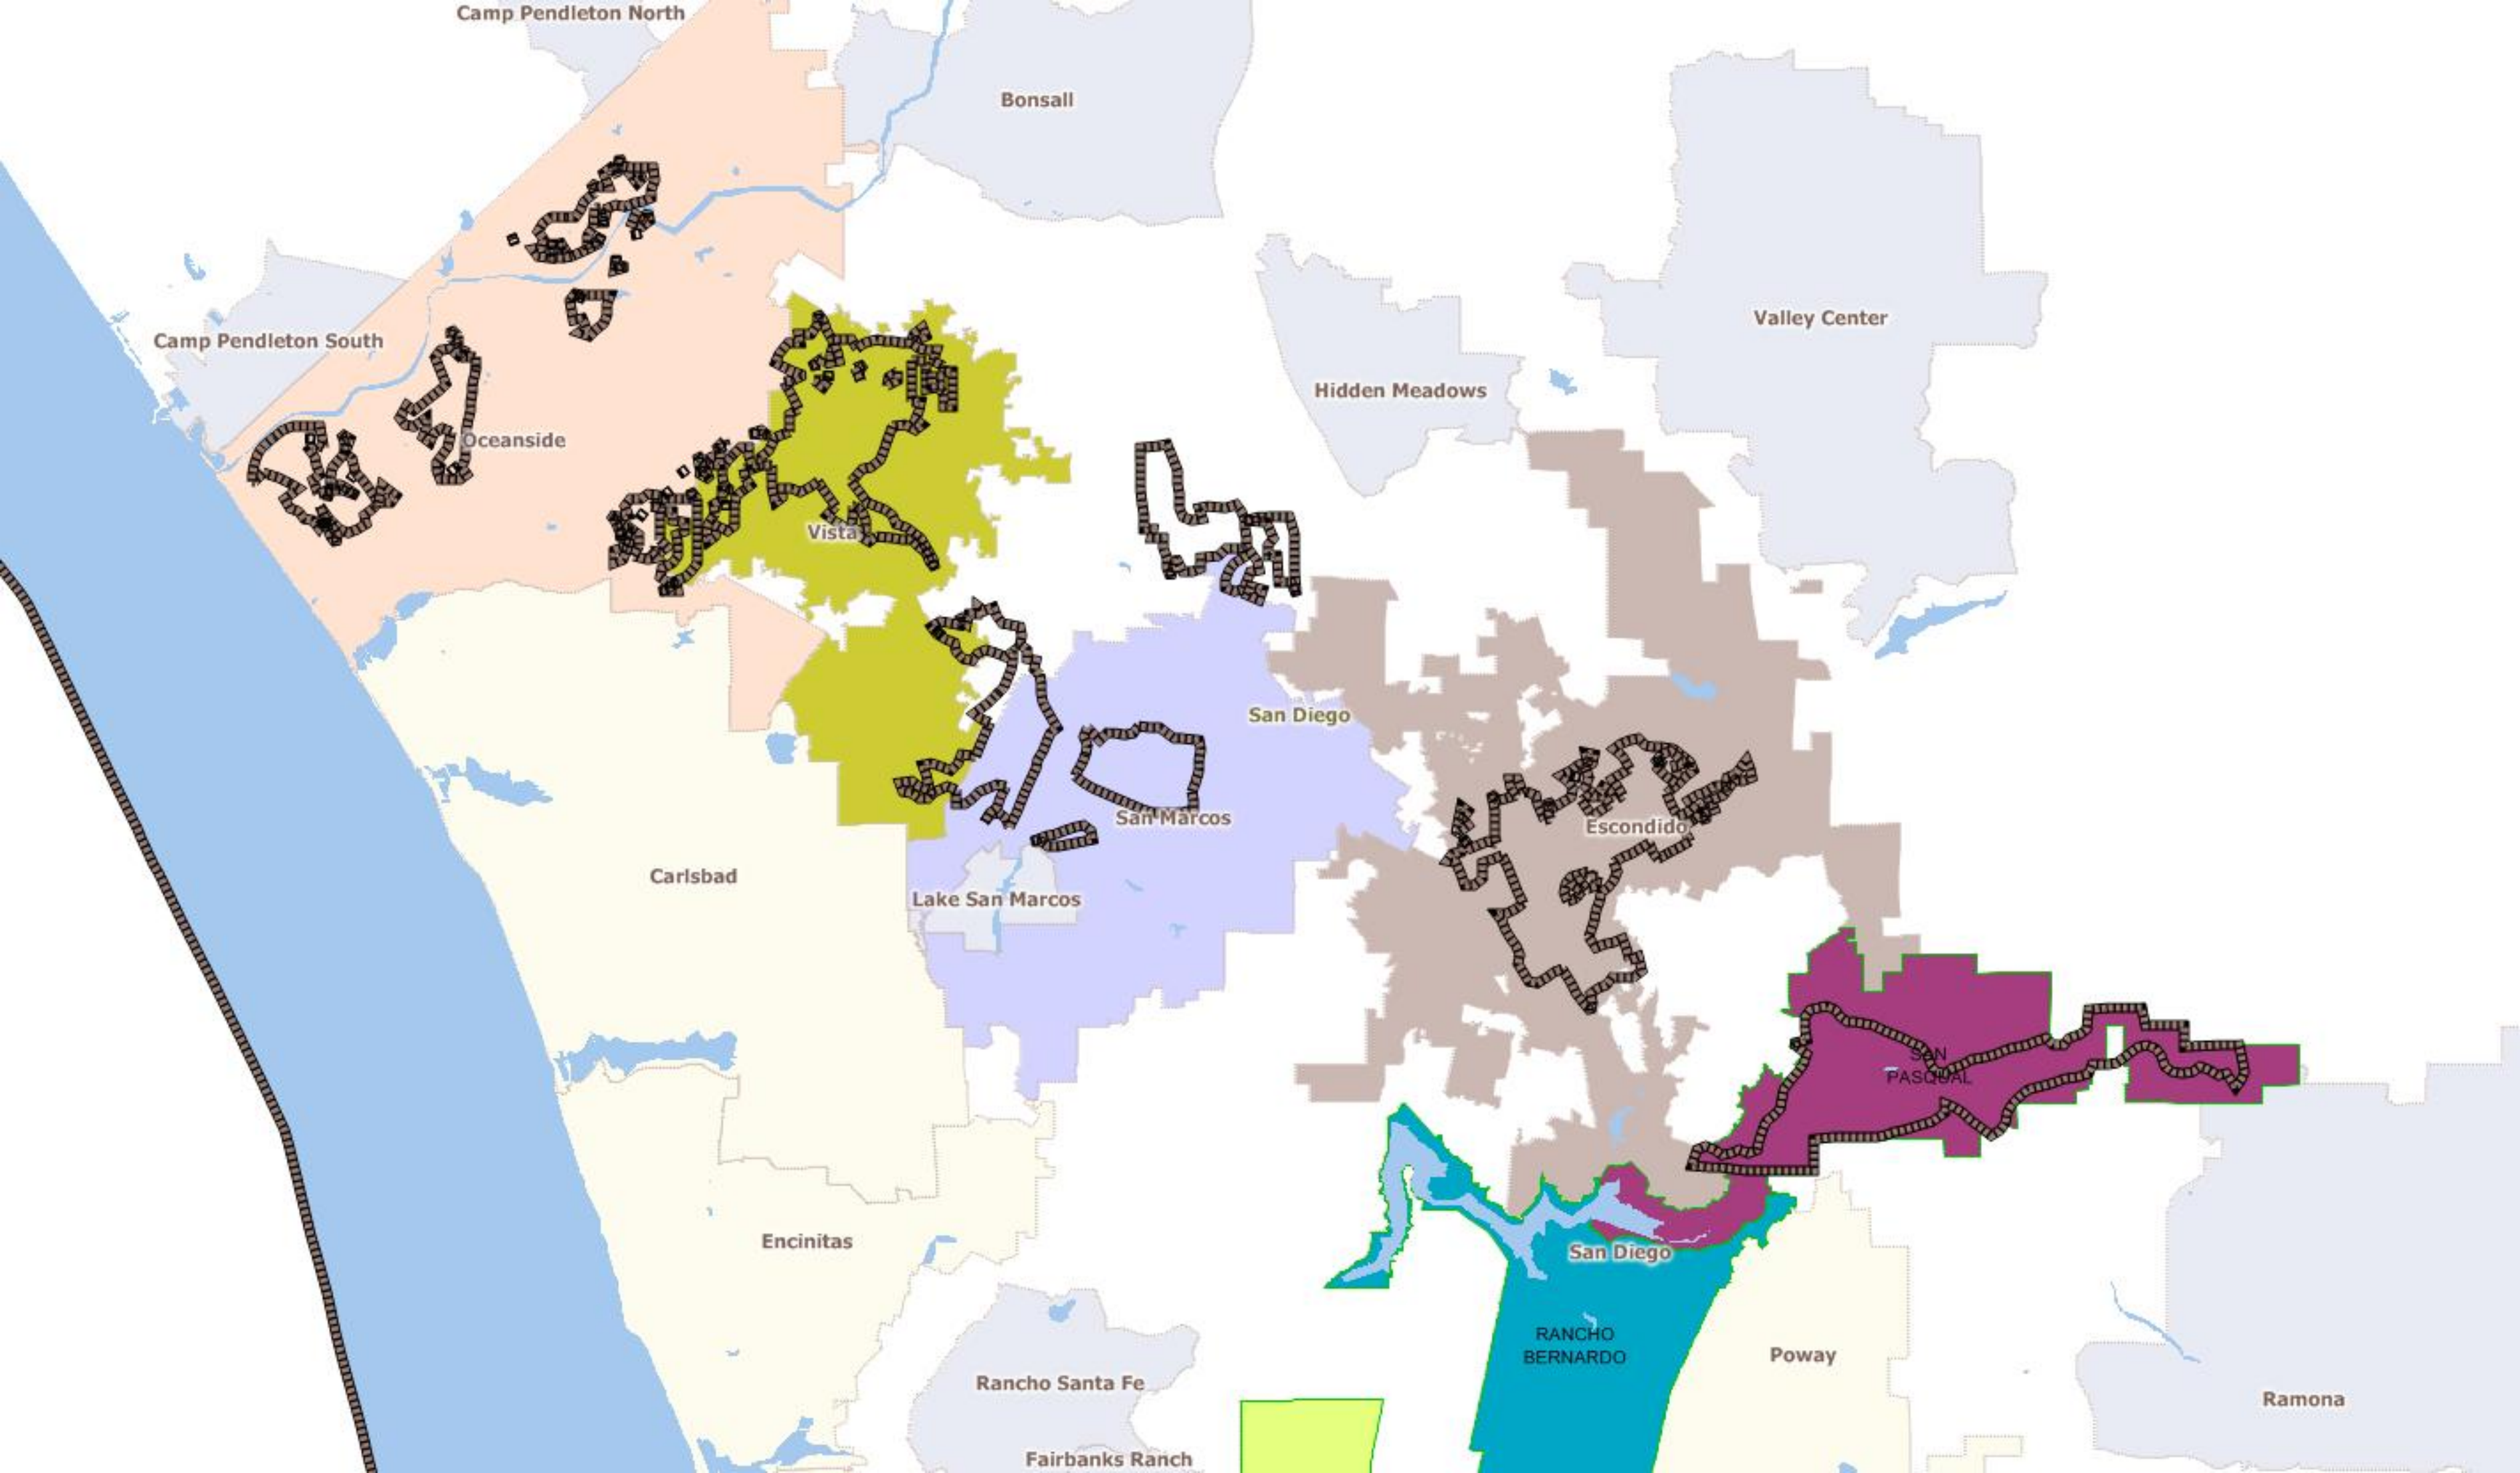

Alberto Pulido. Ph.D
