**Conversation:** East San Diego County Communities - Redistricting

East San Diego County has unique economic and cultural circumstances that should be recognized and represented as one.

El Cajon, Santee, Lakeside, Ramona, Alpine and Poway share economies, as well as transportation and water concerns that are most similar to surrounding **San Diego County** communities it would not make sense to connect with Imperial County. These communities are within 15 to 20 miles of the City of San Diego. They are much further from the Imperial County communities in distance and other aspects.

We are hopeful that our community of Lakeside will remain a part of San Diego County. Please consider this in your plan for redistricting.
