Subject: Redistricting - Assembly Districts

Message Body:

Commission Members:

One of the objectives of your commission is to draw new boundaries that conform to existing lines, such as city boundaries. I now live in the 74th District, very near the 75th. Both include portions of Escondido.

It would be most helpful to have one District that covers all of Escondido. The District ideally would cover Inland North San Diego County only. Areas along along the Hwy. I-15 corridor have a common interest and would be an ideal first guide towards the new District.

Thank you,  
Ray Boettger
