Dear Redistricting Commissioners,  
Please support unifying communities that are split. Escondido currently is split between the 74th and the 75th districts. It is confusing and does not currently represent Escondido's interests. That is because the 74th district goes all the way to the coast and has no interests in common with half of our city.

In the 75th district, Escondido is just a small part of a huge San Diego district. Escondido is completely overshadowed.

PLEASE UNIFY ESCONDIDO into an inland district so that its agricultural history and interests can be represented.

THANK YOU!

Marie Waldron
