Dear Members of the Citizens Redistricting Commission:

I am a resident of Pacific Palisades and am writing to urge you to consider the communities surrounding the Santa Monica mountains as a critical common area of interest and keep them together in your redistricting decisions.

Protecting our open space, watersheds, wildlife corridors, and recreational opportunities are important to our communities. Having elected representatives that share this priority is vital to the best interests of our district.

Eight incorporated cities are within this common area of interest. West Hollywood, Beverly Hills, Santa Monica, Malibu, Agoura Hills, Calabasas, Hidden Hills and Westlake Village, and the westside (Bel Aire, Brentwood, Westwood, UCLA, Pacific Palisades) and valley communities (Studio City, Sherman Oaks, Encino, Tarzana, Woodland Hills and West Hills) of the City of Los Angeles.

Sincerely,

Max Busselle
