Message Body:

The South East portion of unincorporated South San Gabriel below the 60 freeway is in the San Gabriel Valley but is currently represented by LA Basin (Montebello) representatives.

They are separated by the Montebello Hills

There is no affinity with these voters who have a Rosemead 91770 Zip code.

The streets affected are Muscatel, Hazel and Darlington and the 500 and 600 blocks of N San Gabriel Blvd.

Unincorporated Los Angeles County

We recommend that ALL 91770 Zip codes be in San Gabriel Valley districts and all 90640 Montebello Zips in separate Assembly and Senate districts over the hill.
