Dear Commissioners:

I am a resident of Porter Ranch and mother of two boys. I am compelled to write to you today to express my concerns about how redistricting could affect our representatives. So many people feel underrepresented, however this is our chance to have a say in the process and have a district that reflects who we are.

I support keeping like areas in one district. This way representation will be effective. I would propose having the northwestern San Fernando Valley grouped in a district with the Santa Clarita Valley to the northeastern and the eastern Ventura County. This would allow these bedroom communities to share a common representative looking after our best interests.

Thank you for your time and efforts in making this state a better place to live.
