Dear committee,

I attended the meeting on Sunday at the Toyota dealership in Lancaster. I live at [REDACTED]
[REDACTED] Thank you for coming, and thank you for giving us a voice. I join my fellow Antelope Valley residents in asking you to please keep the Antelope Valley whole. I believe that there should be one Assembly District covering the Antelope Valley/East Kern area of the High Desert, bounded by the Tehachapi Mountains and the San Gabriel Mountains that includes Palmdale, Lancaster, Rosamond, Mojave, Boron and California City, and that there should be one Assembly District covering the Victor Valley portion of the High Desert that includes all of northern San Bernardino County including Victorville, Hesperia, Adelanto, Apple Valley and Barstow. These two High Desert Assembly districts should be nested for one High Desert Senate seat. Our agriculture and water needs alone dictate that this approach makes sense.

Thank you for your consideration
