Re: The 35th Assembly District

Commissioners:

I understand that you will be announcing the first draft of assembly, state senate and congressional districts for California in the near future. Over the last 10 years the Central Coast has received national attention for gerrymandering at its worst. The old senate and congressional districts until 2002, were essentially comprised of Santa Barbara and San Luis Obispo Counties. And all of Santa Barbara County was in one Assembly District.

Currently, Santa Barbara County is cut in half. At your recent hearings in San Luis Obispo you heard almost every person testifying asking that you keep all of SB County in one Assembly District. Significantly, that request has strong bi-partisan support being led by former Assembly Members, Democrat Pedro Nava and Republican Brooks Firestone. **And we understand that the Commission is going to work hard to assure the minority vote**

**is not disenfranchised. On that front it is very significant that at your Oxnard hearing the non-profit SCORE fully supported this same approach requesting that all of Santa Barbara County be included in one Assembly District as well.**

At the end of the day, given the national attention of the gerrymandered central coast districts, this is where people will look first to see whether redistricting was really done in the objective way that the voters hoped would happen when they passed the initiatives creating the Redistricting Commission and giving you the power to take politics out of the process. You have the authority to do what is right in this matter, and that is to include all of Santa Barbara County in one Assembly District.

I look forward to personally congratulating you on your successful efforts in this matter.

Respectfully,

John Wilczak
