Message Body:
Dear Commissioners:

Thank you for the opportunity to address you via email as my work schedule does not allow me to attend the hearings. I am a life-long resident of the San Fernando Valley and have resided specifically in the Chatsworth area for the past 27 years.

I am writing to respectfully request that when you consider drawing the legislative boundaries, you take special note of what binds us as communities that should share representations. I would advocate for a district that includes the northwest San Fernando Valley, the Santa Clarita Valley and the eastern part of Ventura County. These three areas share common interests and would be a good fit for common representation.

Thank you very much for your consideration.

Sincerely,
Christine Jelloian
