In Re: The 35th Assembly District

Dear Honorable Commissioners,

I'm a retired Santa Barbara City Councilmember and served six years on the California Coastal Commission.

Joining other elected persons, we urge you to correct a wrong by allowing Santa Barbara County to be one Assembly District. It will be necessary to pick up a few thousand voters by including areas North (Nipomo) or South (Ojai).

We applaud you and your work of taking politics out of the process.

Very truly yours,

Dan B. Secord
