Dear Commissioners:

I have lived in [Simi Valley](#) for over 30 years. I have worked in the real estate industry and volunteered at many organizations.

I would like to encourage you to keep [East Ventura County](#) together as you work to make fair and equal Assembly, Senate and [Congressional Districts](#). The cities of Simi Valley , Moorpark, Thousand Oaks and even Camarillo can definitely be linked as communities of interest. We are rural, bedroom communities who love our open space and hillsides. We are some of the safest cities in all of the United States and we pride ourselves on many overlapping community organizations and non-profit groups that work together on a daily basis.

Thank you for your work on this issue.

Sincerely,

Carrie Golden
